Dear Sirs,

The "**Beach Golf European project**" was finally approved.

With this document we inform you about the official date of our event and we present the educational program.

The event will be held in Pescara (Italy) from 7 to September 14, 2014

Beach Golf European project deal with **higher education** and **job placement** for students from the European faculties of Sport.

The course will be based on high-related training activities and technical and management of the Golf.

It will be an **8-days Intensive Course**.

Students from all over Europe will attend the course and lessons will concern about:

- Golf Practise (how to play Golf, and how to teach Golf, thanks to our methods;
This is especially for those who are unfamiliar with Golf)
- Sport Business Management, concerning with Golf activities
(how to manage Golf courses, how to develop BGSA's project around Europe, with the aim of Job Placement related to our International Association)

BGSA, thanks to EU funding, **will cover all the costs about:**

- enrollment to the course (originally worth 1000 €)
- accommodation in hotel 8 nights
- meals
- technical equipment

for 3 students from your University.

We kindly ask you to tell us the names of three students selected to participate in our project.
Admission within 15 April

P.S. Please reply in any case, even to ask any questions or problems related to our project.

Best regards

Mauro De Marco
President
